Re: WR #3164628 District Heights Street Lights - \$150,838

Dear Ann

Pursuant to your April 6, 2007 email to Dan Baden, City Treasurer, this letter is to confirm that the City of District Heights agrees to make payment to PEPCO in the amount of \$150,838 within sixty days of completion of the above referenced project. This payment will be made to PEPCO directly from the City or from the State of Maryland. I have enclosed a copy of the March 23, 2007 letter from Peter Franchot, Comptroller for the State of Maryland confirming the approval of the funding for the street light project. I have also enclosed a copy of the executed grant agreement between the State of Maryland and the City of District Heights which further confirms the award and availability of the funds.

On behalf of the City I personally want to thank you for working with us in order to resolve the payment issue in a manner satisfactory to both PEPCO and The City. You have been a pleasure to work with. If you need any further information or have any questions please feel free to contact either me or Dan Baden.

Sincerely,

Lee Collins
