Mayor's Budget Message

Dear District Heights,

I want begin by offering thanks to my colleagues on the City Commission, residents, and staff who participated in this year's budget process. All of us have worked tirelessly throughout the pandemic, adapted our lives to rapid change, and showed determination, creativity, and a kind spirit that is transforming this City into a model for Prince George's County; this budget is just the latest example of the City's forward momentum.

The FY 2024 budget seeks to meet upcoming challenges, leverage our progress, and build for our future by investing in new, updated technology, the City's physical infrastructure, and the people that deliver services to residents. The FY 2024 budget focuses on delivering essential services and improving the efficiency and efficacy of City government. Of particular note, the budget formalizes reorganizations in the Department of Public Works to streamline service delivery, adds critically needed staff in the Department of Parks, Recreation and Culture, and increases funding for City-wide events and initiatives. Further, the budget takes aggressive actions to recruit and retain qualified professionals, including and especially law enforcement officers.

The foundation set by the City Commission in this budget will allow for further data-driven and performance-based evaluation of services and, importantly, allows residents to clearly see how their tax dollars are being allocated.

Sincerely,

Hon. Cynthia Miller
Mayor

Updates for the FY 2024 Budget

The Chart of Accounts

The chart of accounts has been modernized for the FY 2024 budget and now uses a unified, organized naming convention and set of standard categories for line items across the City's departments. Each expenditure category has been assigned a lead digit (5 is personnel, 6 is operating and maintenance, and 7 is capital); each department has been assigned a department code. For example, General Government Administration is "02" and the Public Works is "07." Each specific object has been assigned a two-digit code. "01" is association and membership dues; "09" is contractual services.

The table below describes commonly used line-items. The middle digits, displayed on the table below as "XX," are used to represent a specific department. Association and membership dues for General Government Administration would be line 60201 while the same expense for Public Works would be 60801. Personnel, operating, and capital expenditures use the same convention.

This naming and categorization of expenditures is somewhat less precise than what the Commission is used to, however, provides the opportunity to review expenditures by category easily across the organization because the naming and coding conventions are standardized.

6XX01	Association and Membership Dues
This line item is used for professional association and/or membership dues for staff members. As an example, the City Manager is a member of the Maryland City/County Management Association and those dues would be paid from this line in the General Government Department.	
6XX02	Travel, Training and Education
Travel, training and education encompasses employee development to include, classes, conferences, events, and other expenditures meant to increase the competency of staff members.	
6XX03	Office Supplies
Office supplies include paper, pens, pencils, binders, folders, and other items necessary to operate in a modern office environment.	
6XX04	Postage, Mailing, and Bulk Mail
This line item encompasses all postage, direct mail, certified mail, and bulk mail expenses.	
6XX05	Conduct of Business
Conduct of business should be used for incidental expenditures related to the daily incidental expenses associated with delivering services or meeting the needs of residents.	
6XX06	Printing
Costs associated with in-house printing.	
6XX07	Materials and Supplies
Material and supplies is a wide-ranging category; the types of items that may fall within this type of expenditure vary by department. Parks, Recreation and Culture may book new basketballs to this line while Public Works may book new shovels; both are materials and supplies necessary to conduct the regular work of the department.	
6XX08	Marketing and Advertising
Marketing and advertising costs could include running ads in local/regional newspapers or online.	
6XX09	Contractual Services
Contractual services are services that the City enters into a contractual agreement to obtain. The City's contract with the solid waste service provider is an example of contractual services.	
6XX10	Professional Services
This line item encompasses agreements that the City enters into to obtain professional services. This is usually in the form of consultants, advisors, or designers.	
6XX11	Publications and Books

Publications and books includes one-time and subscription expenditures for magazines, periodicals, trade publications, and other related materials.

6XX12	Clothing and Uniforms
Clothing and uniforms includes the purchasing of new uniforms and the maintenance of existing uniforms. This line most typically occurs in Police, Code Enforcement, and Public Works, however any department may use the line to purchase City-branded clothing for use at work or while representing the City.	
6XX13	Cell Phones
This line is budgeted centrally in General Government Administration and is comprised of cell phone contracts and purchases.	
6XX14	Computer Software
This line represents software licenses, SaaS purchases, data storage and other non-physical information technology expenditures.	
6XX15	Computer Hardware
Computer hardware includes laptops, desktops, monitors, and other peripherals. Beginning in FY 2024, these expenditures are budgeted and procured centrally in General Government Administration	
6XX16	Event Materials and Equipment
Event materials and equipment are purchases specific to the provision of City and/or community events. District Heights has a strong community event tradition and this line item reflects those purchases.	
6XX17	Fees
This line includes license fees, HOA fees, banking fees, and other incidental charges.	
6XX86	Vehicle Maintenance
Costs associated with the repair, upkeep, and maintenance of the City's fleet of vehicles.	
6XX87	Fuel
Costs associated with fueling the City's fleet and gas-powered equipment.	
6XX89	Heavy Equipment Maintenance
Costs associated with the repair, upkeep, and maintenance of the City's heavy vehicles, such as chippers, cement mixers, etc.	

Departmental Budget Presentation

The City's department budgets are presented holistically in this document using "roll-up groups" based on the naming and categorization method described in the section above. Each department will show personnel, operating and maintenance, and capital budgets in a simple table. The table also includes City revenue attributable to the department, allowing the residents, Commissioners, and staff members to see and understand the net budget impact of a given department's operational and funding decisions. The "net budget impact" is essentially the amount of the total cost for services placed on the City's dedicated tax revenues. It is important to note that sums in these tables may not total due to rounding. A simplified example is provided below:

	FY 2022 Actual	FY 2023 Projected	FY 2024 Adopted
Expenditures			
Personnel	\$127,438	\$165,835	\$186,896
Operating and Maintenance	47,201	68,235	69,000
Capital	5,002	5,028	5,100
Total Expenditures	\$179,641	\$239,098	\$260,996
Department Revenues	\$26,557	\$34,500	\$34,700
Net Budget Impact	\$153,084	\$204,598	\$226,296

Adopted Budget Proposals

The following narrative and summary table reflect the City Manager's recommended budget proposals in the form of new budget requests and recommended budget reductions. This section only reflects new, non-existing positions and does not include mid-year positions approved by the City Commission. For example, the conversion of a part-time to full-time code compliance officer is not reflected in this section, however the new request for an additional code compliance officer is.

Code Compliance Officer: Beautification, maintenance, compliance, and resident services have been focuses of both the Mayor and Commission and the Code Enforcement Division of the District Heights Police Department. The FY 2024 Budget includes funding for an additional Code Enforcement Officer to continue progress in this area.

Municipal Building Professional Cleaning Services: The City has recently outsourced the cleaning, purchasing of cleaning supplies, and light building maintenance, which eliminates the need for staff to perform those functions. The positions associated with this activity have been eliminated. Savings associated with the elimination of the positions are budgeted to offset the cost of contractual services.

Support to the Sustainability Committee: During FY 2023, the City established the Sustainability Committee. The Committee's purpose is to encourage, advocate for, and advise on sustainable practices, initiatives and programs that the City and community could implement. The FY 2024 Budget allocates \$6,000 within the Department of Public Works to support the activities of the Sustainability Committee.
