## ***Keep In Contact Grant*** Senior Citizen Technology Improvement Program

As part of the COVID-19 Senior Citizen Technology Improvement Program the City of District Heights has been given funds to improve communication capabilities for seniors and handicap residents that live within the City.

The Keep in Contact Grant provides a free Fire HD 10” tablet to residents that live within the City of District Heights. For those residents that do not have a way to stay in touch with the city government. This program will help the resident stay connected to the information, resources, programs, and care they need. Residents can combat isolation and connect with needed resources, family and friends, and activities that are posted on the City of District Heights website.

Fill out the application on the back and submit to the Code Enforcement Office. We will notify you if you are selected and approved. There is a limited supply. The resident must have their internet connection or will need to sign up for an internet/WIFI/broadband connection. Listed below is information for companies for service and also free or reduced cost to connect from other government agencies.

### **Lifeline Works (<https://www.fcc.gov/lifeline-consumers>)**

Lifeline provides up to a \$9.25 monthly discount on service for eligible low-income subscribers. Subscribers may receive a Lifeline discount on either a wireline or a wireless service, but they may not receive a discount on both services at the same time. Lifeline also supports broadband Internet service and broadband-voice bundles. FCC rules prohibit more than one Lifeline service per household. Lifeline is available to eligible low-income consumers in every state, commonwealth, territory, and on Tribal lands. The Lifeline program is administered by the Universal Service Administrative Company (USAC). USAC is responsible for data collection and maintenance, support calculation, disbursements, and assisting consumers with Lifeline eligibility and enrollment for the program. [USAC's website](https://www.usac.org/) provides additional information regarding the program, including program requirements. Apply at (<https://www.usac.org/>), USAC administers the Universal Service Fund under the direction of the Federal Communications Commission (FCC).
